**Jude 22-23** – <sup>22</sup> Show mercy toward those who have doubts, making a difference; <sup>23</sup> save others by snatching them out of the fire...

Our nation and our world is on fire.

The church is acting as if either the Democrats or the Republicans are the answer to the ills of our nation.

God doesn't need defending, He needs obedience.

- A lion doesn't need defending, you let it out of its cage and it defends itself.

**Acts 13:36** – “For David, after he had served his own generation by the will of God,

died and was buried with his fathers...”

How will we serve our generation?

Our Next Generation ministries have grown by 25% since we moved into the new sanctuary.

David Livingstone (1813–1873)

- Hated slavery and sought to end it.
- “If you need roads, don’t bother coming.”
- They buried his heart in Zambia and carried his body 1,000 miles to ship his body to England.

Do you need a road, or are you willing to build one for the next generation?

Where will they bury your heart?

No Apologies for Raising Funds

- What I give becomes eternal and enters my future
- What I consume disappears into my past

Let’s pray about our part and then do it.

Let’s fill this building with people who need our Savior.
