Jesus taught that a sense of worthlessness and hopelessness are a result of not making an impact with your life. A ship at harbor is safe, but that is not what ships are for.

**Matthew 5:13-16 (NIV)** - "You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men. 14 "You are the light of the world. A city on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.

Jesus said, you are the preservative of the earth, light of the world, a city on a hill, a lamp on a stand, a light to everyone, a shining light before people, one that does good deeds, and a reason that men will praise God.

Jesus said you are not to lose your saltiness or your impact upon the world. He said you are not to be hidden under the elements of this world or to become irrelevant for time and eternity.

Making an impact, not the absence of problems, is what provides a meaningful, joy filled life.

We are Kingdom Builders that preserve the earth and save it from the sin and death cycle. We let His light shine through us to a hell-bound world, without hope and without Christ and lead our generation to Jesus. We will be a city on a hill, a light to everyone and people whose good deeds will cause people to give praise to God.
